MDD
A Davies Company

Jeffrey Belack

CPA | Partner

Jeff opened MDD Forensic Accountants' Pittsburgh office in January 2001. He is a Partner at the firm.

A CPA for over twenty-five years with extensive experience in damage quantification, Jeff's practice focuses on matters pertaining to business interruption and physical damages. He has also been involved in engagements related to extra expenses, personal injury & wrongful death, lost profits, stock & contents, fidelity claims, fraud and investigations, product liability & recall and subrogation.

Jeff works with insurance carriers and Fortune 500 companies across a wide range of industries including automotive, mining, chemical manufacturing, hotel and hospitality, steel, aluminum, minerals, aggregates, glass, retail and wholesale, real estate, industrial printing, technology, and professional services.

Jeff has been retained on major litigation assignments and has served as a consultant on a wide variety of cases, including those involving an assessment of financial condition. He regularly serves as an expert witness and provides testimony in state and Federal courts and alternative dispute settings.

Jeff has conducted seminars and workshops for leading insurance companies and was partner-in-charge of MDD's global training for 3 years.

He is a graduate of Indiana University of Pennsylvania where he earned his Bachelor of Science degree in Accounting.
