MDD
A Davies Company

Daniel Markowicz

CPA, CVA, CFF | Partner

Dan has been at MDD Forensic Accountants for over 30 years. His first eleven years were spent in the firm's Chicago office and he has managed the Los Angeles location since 1995.

Dan is skilled at analyzing financial and operating data to help determine and verify economic losses. During his career, he has provided economic damage quantification assessments for a wide range of clients on matters relating to stock & contents, construction defects & claims, fraud, product liability and recall, fidelity claims, personal injury, wrongful death & wrongful termination.

Throughout his career, Dan has provided litigation support offering his expertise during the discovery process and the development of expert reports. In addition, he has given expert witness testimony during depositions and proceedings in various state courts.

Dan is a frequent presenter – at both in-house and industry events – on the subjects of accounting for commercial property losses and loss of income.

Dan is a graduate of Loyola University of Chicago where he earned a Bachelor of Business Administration degree in Accounting.
