MDD
A Davies Company

Dennis Corrigan

CPA, CFE | Senior Manager

Dennis interned at MDD Forensic Accountants' Chicago office while he was in college. He was hired after he graduated in 2005 and is now a Senior Manager at the firm.

Dennis has worked on assignments ranging from under $1,000 to over $200 million. His practice focuses on business interruption, lost profits, construction defects & claims, environmental damages, fidelity claims, fraud & investigations, product liability & recall, stock & contents and physical damages matters.

In addition, he has significant expertise in the catastrophe services area, having quantified losses resulting from major hurricanes around the world as well as earthquakes in Japan and New Zealand and floods in Thailand.

Dennis has experience with Fortune 500 companies as well as small to midsize corporations, partnerships and sole proprietorships. He has been engaged on projects in the automotive, food processing, packaging, agriculture, manufacturing, hotel and hospitality, retail and wholesale, construction, and healthcare industries. He has also been involved in assignments associated with alternative energy and professional services and financial services.

Dennis has provided litigation support to numerous clients. This includes analyzing transcripts, preparing inquiries of witnesses under oath, preparing expert report drafts and measuring economic damages.

He received his Bachelor of Science in Accountancy degree from Northern Illinois University.
