MDD
A Davies Company

Jonathan Ducey

CPA, CVA, CFF | Partner

Jon joined MDD's Boston office in 1997. In 2003, he moved to open the firm's office in Portland, Maine. He is a Partner at this location.

Jon has been involved in hundreds of engagements requiring the evaluation and quantification of economic damages, including business interruption and physical damages. He is frequently hired on fidelity claims and matters involving fraud and investigations.

Jon has also been retained by both Plaintiffs and Defendants to evaluate lost earnings capacity, lost profits, lost business value, extra expenses/increased costs, and other economic losses resulting from business disputes, personal injury & wrongful death, physical damages, product liability & recall, and subrogation.

Jon has been engaged as an expert witness for cases in both Federal and State courts. He has provided testimony in Federal Court and State Superior Courts in Maine and Pennsylvania along with depositions, arbitrations, and mediations.

He has worked on assignments in the manufacturing, mercantile, hotel, hospitality, automotive, construction, pulp and paper, real estate, and power generation industries.

Jon has presented numerous seminars on business interruption losses, reported insurance values, fidelity claims, personal injury & wrongful death damages, and other forensic accounting topics.

He is a Director on the Boards of the Scarborough Education Foundation and Scarborough Soccer Club. Jon has been a volunteer income tax preparer with the United Way of Greater Portland.

Jon graduated from Babson College in Wellesley, Massachusetts with a Bachelor of Science degree in Business Administration.
