MDD
A Davies Company

Adam Frank

CPA, CFE, CFF | Senior Manager

Adam joined MDD Forensic Accountants in 2005. He is a Senior Manager at the firm's Orlando, Florida office.

A forensic accountant with strong analytical skills, Adam focuses on the quantification of economic damages for matters related to business interruption, extra expenses/increased costs, fidelity claims, fraud and investigations, lost profits, stock & contents, physical damages and builders' risk & soft costs. He also provides litigation accounting services to clients and has vast experience in the area of catastrophe services, having worked on assignments resulting from the Chile, Haiti and New Zealand earthquakes, hurricanes Jeanne, Katrina, Wilma, Charley and Frances and the Thailand floods.

Adam has been engaged across a wide range of industries including agriculture, aquaculture, automotive, aviation, banking, call centers, casinos, commercial construction, food processing and distribution, furniture, golf courses, government entities, hospitals and medical facilities, hotels and resorts, pharmaceuticals, printing, professional services, telecommunications, retail and wholesale, restaurant and utilities.

Adam has presented seminars and workshops on business interruption, extra expenses and fraud.

He received his Master of Science in Accounting (MSA) degree from the University of Central Florida. He also earned his Bachelor of Science in Business Administration in Accounting from the same institution.
