Ellie Smith

ACMA, CGMA | Senior Manager

Ellie joined MDD's London office in 2010 as an Intern. She qualified as a Chartered Management Accountant in 2014 and is now a Senior Manager at the firm.

During her time at MDD, Ellie has developed advanced economic damage quantification skills which can be applied to a wide variety of cases. She has worked extensively on matters involving business interruption, extra expenses / increased costs, physical damages, litigation support, product liability & recall, fraud, fidelity and lost profits.

Her assignments to date have provided her with experience across a wide range of industries in the UK and globally. These industries include manufacturing, oil & gas, petrochemicals, power generation, retail, hospitality & tourism and utilities.

Ellie strives to understand and fulfil the needs of her clients and communicate her work product in a concise and easily consumable format. She regularly presents to clients on matters relating to the loss of profit calculation principles, among other industry-relevant topics.

Ellie played a key role in a claims team short-listed for The Major Loss Award at The British Insurance Awards.

Ellie graduated from The University of Sheffield with a BSc (Hons) in Economics.
