MDD
A Davies Company

Amanda Guire

CFE | Senior Manager, US Business Development Director

Amanda joined MDD's Philadelphia office as a Staff Accountant in 2008. She is now a Senior Manager at this location and is also the US Business Development Director.

Amanda's professional practice focuses on matters related to business interruption, builders' risks & soft costs, extra expenses/increased cost of working, fraud & investigations, physical damages, personal injury and stock & contents.

Amanda also has considerable catastrophe services experience gained from working on losses resulting from the 2008 floods in Iowa, Tropical Storm Lee, Superstorm Sandy and Hurricanes Ike, Irene and Matthew.

Her industry experience includes commercial rental properties, food manufacturing, hospital & healthcare facilities, hotels & resorts, manufacturing, power generation and distribution, retail and wholesale.

Amanda has conducted seminars on accounting for commercial property losses for business interruption and personal injury analysis.

She graduated with a Bachelor of Business Administration degree with a concentration in fraud examination at the Bloomsburg University in Pennsylvania.
