A Davies Company

Kenna Garvin

Senior Manager

Kenna joined MDD Forensic Accountants in 2005. She is a Senior Manager at the firm's Dallas office.

Kenna's forensic accounting experience focuses on business interruption, builders risk & soft costs, extra expenses/increased costs, stock and contents losses, physical damages and subrogation.

She has considerable catastrophe services experience gained from working on losses such as hurricanes Katrina, Ike, Sandy, Harvey and Irma as well as the earthquake in Chile.

Kenna has worked on a wide range of insurance-related matters ranging from a few thousand dollars to those in excess of $100 million. Her industry experience includes agriculture, cable television, broadband & communications, manufacturing, hospitality & tourism, multi-family housing, food services and retail.

Kenna has conducted seminars for industry professionals on business interruption.

She graduated from the University of Texas at Dallas, Richardson, TX with a Master of Science and Bachelor of Science degree in Accounting & Information Management.
