

# Samuel Dorie

## Director

Samuel joined MDD's London office in 2012. In 2018 he relocated to open the firm's Paris office where he is now a Director, having been tasked with the expansion of our company into local markets in Europe.

He has been involved in cases extending to interruption losses in excess of £100 million as well as providing advisory services on pre-loss scenarios.

Sam has worked on a variety of **business interruption** claims including **loss of profit**, advanced loss of profits, **extra expenses/ increased costs**, **physical damages**, **product liability & recall**, **reported insurance values** and **stock and contents losses**. He has also gained considerable experience in the firm's **litigation**, **fraud** and **subrogation** support practices as well as within insurance and reinsurance portfolios.

His industry experience includes **aviation**, **automotive**, **agriculture**, **food & beverages**, **financial services**, **hospitality**, **entertainment**, luxury goods, media & advertising, industrial **manufacturing**, **oil & gas**, petrochemical, **pharmaceuticals**, **power generation**, **professional services** and **transportation**.

He is also a key speaker on topics related to principles of business interruption. He also launched our Paris BI Academy initiative, presenting to a variety of stakeholders within the French and Spanish risk and insurance industry.

As a British and French native, Samuel is fluent in French, English and Spanish with basic knowledge of Portuguese.

Sam graduated from Aston University with a Bsc (Hons) degree in International Business Studies and Modern Languages and is in the process of becoming a qualified management accountant in both France and the UK, and completing a Master's in Business and Administration.
