Saleh Achrafi

CA, CMA | Partner

Saleh ("Sal") joined MDD Forensic Accountants as a Graduate Accountant in April 2011. He became the Managing Director for the Australian and New Zealand operations in 2023 and in 2024 he became a Partner.

Over the course of his career, Sal has specialised in economic damages such as business interruption, lost profits, and fidelity claims ranging from $1,000 to over $40 million.

Sal has worked on assignments across Australia, New Zealand, Pacific Islands, the U.S, Middle East and Asia. These assignments include vast experience across various industries such as retail, hospitality and tourism, transportation, manufacturing, and recycling.

He also has experience in the catastrophe services area, having worked throughout the 2011 Christchurch earthquakes, 2011 Queensland floods, Cyclone Winston, NSW / VIC Bushfires and most recently 2022 Queensland and NSW Floods. Sal is a member of MDD's CAT team, coordinating the firm's response and acting as the first point of contact across Australasia.

Sal participates as a speaker for the Chartered Accountants Australia and New Zealand's mentorship program.

A graduate from Macquarie University with a Bachelor of Commerce – Accounting degree, Sal is also a Chartered Accountant (CA), a Certified Management Accountant (CMA) and speaks fluent Arabic.

Furthermore, he is the current President for the NSW Young Professionals Australian Insurance Law Association ("AILA") Committee.
