MDD
A Davies Company

Marcelo Fazio

Chief Innovation and Growth Officer

Marcelo joined MDD Forensic Accountants' London, England office in 2000. He is the firm's Chief Innovation and Growth Officer.

An economic damage quantification specialist – and fluent in English, Portuguese, Spanish, Italian and German – Marcelo has worked on assignments across Europe, North America, Latin America, Africa and the Caribbean.

He has experience in virtually every aspect of forensic accounting. Most notably, he has a wealth of experience with catastrophe services area, including assignments quantifying business interruption losses resulting from hurricanes Isidore, Kenna, Fabian, Ivan, Katrina, Emily, Wilma, Harvey, Maria and Irma, as well as the Chilean earthquake and various floods and landslides across Latin America.

Marcelo has worked on a number of litigation and specialty-line cases in Latin America, including surety, fraud, breach of contract and shareholders disputes. Furthermore, he has extensive experience in handling contingent business interruption, delay in startup and advanced loss of profits assignments.

Marcelo has had extensive exposure to numerous industries including, but not limited to: steel and basic metals, mining, construction, energy and utilities, oil refining and petrochemical, agribusiness, electronic manufacturing, pharmaceutical, healthcare, hotel and entertainment, retail and wholesale, professional services, transportation and warehousing, and food processing.

He has given numerous industry presentations, seminars and workshops in the U.S., UK, Germany, Switzerland, Mexico, Colombia, Chile and Brazil.

Marcelo graduated from the University of Manchester with a degree in Economics. He is a member of the American Institute of Certified Public Accountants and the Association of Certified Fraud Examiners.
