MDD
A Davies Company

Sarah Chick

CPA | Senior Manager

Sarah joined MDD Forensic Accountants' Winnipeg office in 2014 as a Staff Accountant. She is now a Manager at the firm and works out of the Singapore office.

Sarah's practice area expertise includes business interruption, fidelity, extra expenses, property of every description, income replacement benefits, commercial liability and stock & contents. She has also been active in the catastrophe services area, quantifying economic damages that occurred as a result of the 2016 Fort McMurray wildfires.

Sarah's industry experience includes restaurants, retail and wholesale, hotels and resorts, professional services, commercial rental properties, manufacturing, medical and dental practices, agriculture, livestock production and municipal government.

She speaks Indonesian fluently and has presented seminars and workshops on the subject of business interruption.

Sarah earned her Bachelor of Arts (Honours) in History from the University of Oxford.
