A Davies Company

Roman Prytula

BSC, MSc, CPA, CBV | Senior Manager/Vice President

Roman joined MDD Forensic Accountants' Calgary office in 2015 as a Staff Accountant. He is currently a Senior Manager/Vice President at the firm's Calgary office.

Roman's practice area expertise includes business interruption, extra expenses, business valuation, litigation, and lost profits. Roman has extensive experience with files relating to First Nation Bands, analyzing historical records to calculate funds withheld from members. He has also been active in the catastrophe services area, quantifying economic damages due to the 2016 Fort McMurray wildfires.

Roman has handled assignments across a wide range of industries including oil & gas, power generation, manufacturing, food manufacturing, forest products industries, hotels & resorts, commercial rental properties, hospital & health care facilities, medical & dental practices, transmission & distribution and retail & wholesale.

He is fluent in English, Ukrainian and Russian and proficient in Danish and French and is a graduate of Aarhus University with a Master of Science, Finance and International Business and Kyiv National Economic University with a Bachelor of International Economics.
