Rajen Rajput

ACMA, CGMA, Cert CII | Senior Manager

Rajen joined MDD Forensic Accountants' London office in 2015. In 2021 he was appointed Manager and in 2024 he was promoted to Senior Manager.

Rajen has significant experience in quantifying damages related to business interruption, cyber-attacks, fraud & investigations, fidelity, lost profits and product liability & recall.

He has experience in a wide range of industries, including aviation, hospitality & tourism, professional service, manufacturing, and retail.

Rajen has worked on assignments in loss locations across the UK, Europe, the Middle East, the Caribbean and Central America. The value of these assignments has ranged from ten thousand pounds to losses in excess of £100 million.

Prior to MDD, Rajen worked as a business interruption specialist at a Loss Assessing (Claims Prep) firm covering losses across the UK. This role, together with the experience gained from working at MDD, has helped him further appreciate the specific needs of both the insured and the insurer.

He has presented several seminars on the topics of cyber risks and business interruption.

Rajen graduated from City University London with a degree in Air Transport Engineering.
