MDD
A Davies Company

Richard Tam

BComm, GDA, CPA, CA, CFE | Senior Manager/Vice President

Richard is a Senior Manager/Vice President at MDD Forensic Accountants' Kingston office.

He has over four years of experience in forensic accounting and three years as an Auditor with his previous employer. His practice concentrates primarily on business interruption, accident benefits, extra expenses/increased costs, fidelity, downtime losses, lost profits, personal injury and wrongful death matters.

Richard has worked on numerous assignments throughout Canada during his time with MDD. He has experience that spans a wide range of industries including retail and wholesale, agriculture, hotel and hospitality, residential and commercial rental properties and restaurants.

Richard received his First Class Honours Bachelor of Commerce degree from Queen's University's Smith School of Business.
