Mark Boshnakis

BBA, CPA, CA | Senior Manager/Vice President

Mark started at MDD Forensic Accountants' Toronto office as a co-op student in 2015. After graduating in 2015, he joined MDD full-time and is now a Senior Manager/Vice President at the firm.

Mark's practice specializes in quantifying economic damages related to business interruption, accident benefits, personal injury, fidelity, cyber losses and liability. Most recently, he has worked on entertainment insurance claims primarily related to COVID-19 performance cancellations and suspensions.

His industry experience includes construction, aviation, automotive, energy & mining, food service, hospitality, retail trade, heavy equipment manufacturing and transportation.

Mark has worked in the catastrophe services area on files received as a result of the Fort McMurray wildfires in 2016. He was also on-site in the Caribbean to calculate economic loss damages for businesses affected by Hurricane Irma and Maria.

Mark obtained his Honours Bachelor of Business Administration in 2015 from Wilfrid Laurier University.
