MDD
A Davies Company

Jaime Muñoz Arroyo

CPA | Director

Jaime joined MDD's London office in 2019. In 2024, Jaime moved to Madrid to open and manage the firm's Spanish operations.

Jaime has approximately ten years of experience within the forensic accounting field and his professional practice concentrates primarily on issues related to business interruption, extra expenses/increased costs, product liability & recall, stock & contents, and litigation services.

Jaime has gained valuable experience in working for both insurers and law firms across a variety of losses in Latin America and Europe. Jaime is currently focusing on growing our service practice in Spain. He also has considerable catastrophe services experience, having worked on losses stemming from the 2016 Ecuador Earthquakes, Hurricane Maria in Puerto Rico, and the Mexico Earthquake in 2017, as well as losses arising from COVID-19.

Jaime has been involved in cases that have varied widely in complexity and value, ranging from several hundred thousand dollars to losses in excess of USD 100 million.

He also speaks on topics related to principles of business interruption. He launched our Spanish BI Pannel initiative, presenting to a variety of stakeholders within the insurance industry in Spain.

Jaime has experience across a broad spectrum of industries, including the agriculture industry, food & beverages, hospitality, pulp & paper, and retail, amongst others.

Jaime graduated from Universidad Tecnologica Metropolitana, Chile and is a native Spanish speaker.
