MDD
A Davies Company

Pascal Labrosse

B.B.A., CPA, CFE, CBV/EEE | Senior Manager / Vice President

Pascal started as a Senior Accountant at MDD Forensic Accountants' Montreal office in 2019. He is currently a Senior Manager / Vice President at the firm.

Pascal has been involved in multiple investigations involving the quantification of economic damages in insurance and litigation matters and has strong forensic accounting experience in the area of personal injury.

Pascal's practice specializes in the area of business valuation, economic loss quantification and investigative accounting.

Pascal has prepared economic loss quantification reports involving intellectual property infringement, breach of contract, construction delay and physical damages. Pascal has worked on numerous assignments related to business interruption, cyber risks, extra expenses/increased costs, fraud & investigations, litigation support, and lost profits.

His industry experience includes agriculture, automotive, food services, financial services, manufacturing and assembly, commercial rental properties, hotels and resorts, restaurants, retail and wholesale, and professional services. He has also been active in the catastrophe services area, quantifying economic damages that occurred due to Hurricanes Iota and Eta.

Pascal has presented various seminars on lost profit, the impact of the COVID-19 pandemic on businesses, cyber losses and documentation available in the context of litigation.

Pascal is fluent in French and completed his Bachelor of Business Administration and Diploma of Higher Specialized Studies, Accounting, both from HEC Montreal. He holds the professional designations of Chartered Professional Accountant (CPA), Certified Fraud Examiner (CFE), and Chartered Business Valuator (CBV). He is also an Accredited Civil and Commercial Mediator and Small Claims Mediator – Income Taxes.
