Marnie Silver

BA, MBA, CPA, CA, CBV, CFF, ABV | Director

Marnie is a Director at MDD Forensic Accountants' Toronto office. Previously she was a Vice President at a business valuation firm in Toronto and led the valuation practice at a mid-size firm for over a decade.

With over 20 years of experience in forensic accounting and business valuation, her expertise includes litigation accounting and quantification of damages concerning breach of contract, business interruption, expropriation, shareholder oppression and family law.

Marnie's key practice areas involve the preparation of business valuations for shareholder disputes, estate planning, shareholder oppression, and family law matters. Her family law experience also includes determining income for child and spousal support purposes. In addition, Marnie also performs critical analysis and commentary of reports prepared by other experts.

Marnie has worked on a broad range of engagements across Canada, spanning various industries, including manufacturing, software and technology development, communication and media, pharmaceutical, automobile, retail, professional practices, and service firms.

She has been qualified as an expert witness and has provided testimony in the Ontario Superior court at trial and mediation proceedings. She has prepared or assisted in the preparation of numerous expert reports.

Marnie has conducted numerous seminars and workshops on the subject of business valuations.

She graduated from the University of Western Ontario, where she received a Bachelor of Arts degree. She has a Masters of Business Administration from York University. Marnie also holds a Chartered Professional Accountant, Chartered Business Valuator, and Accredited Business Valuator Designations and is Certified in Financial Forensics by the American Institute of Certified Public Accountants.
