MDD
A Davies Company

Daniel Brown

Director - Global Catastrophes & London Client Development

Daniel joined MDD Forensic Accountants in 2022. He is the firm's Director of Global Catastrophe Operations and London Business Development and works out of MDD's London, UK office.

Daniel has significant experience with our client base and markets and works with our team in London and around the globe.

He also regularly engages with global CAT clients to understand their needs and ensure that MDD's unrivalled team of global forensic accounting experts meets their demands.

Daniel has over two decades of experience working in the London insurance market.
