# Francis Gagne

**BBA, CPA, CFF | Senior Manager/Vice President**

Francis is a Senior Manager/Vice President at MDD Forensic Accountants' Montreal office. He first joined the firm's Vancouver office in 2007 as a Staff Accountant.

With over 15 years of forensic accounting experience, Francis' expertise includes economic damage quantification for matters related to business income losses, stock and content losses, product liability and recall, commercial disputes, and catastrophe services.

He has worked on assignments across Canada, the USA, Australia, New Zealand, and South East Asia. He has been involved in engagements that span various industries, including hospitality, manufacturing, retail, electronics, pharmaceuticals, and construction.

Francis has qualified as an expert witness and has provided testimony in the Superior Court of Quebec.

He is proficient in English and French and has conducted numerous seminars and workshops on the quantification of insurance losses in Quebec.

Francis graduated from Bishop's University, receiving a Bachelor of Business Administration degree in Accounting & Finance. He also holds a Chartered Professional Accountant Designation and is Certified in Financial Forensics.
