Brian Christian

MAFF, CFE | Manager

Brian began his career at MDD Forensic Accountants in the Chicago office in 2008 as an intern. The same year, he served on a catastrophe team during Hurricane Ike.

Brian has a reputation for taking on challenging assignments. He takes pride in setting the standard for exemplary customer service. This approach has allowed him to gain experience across many practice areas.

Clients frequently reach out to Brian for his expertise in the following industries: agriculture, construction, energy, financial services, food services, healthcare, IT, manufacturing, retail, and various other practice areas. Brian is also competent in builder's risk claims, business interruption, catastrophe services, cyber risks, fidelity claims, National Flood Insurance Program (NFIP), product liability, product recall, stock and contents, and subrogation matters.

Brian also has experience preparing expert reports for litigation, mediation, and arbitration settings.

He frequently conducts and participates in seminars and workshops on various insurance and litigation topics.

He graduated from the College of Business at Northern Illinois University in 2008 with a Bachelor of Science in Accountancy. Brian also holds an Associate in Science Degree and Business Skills Certificate.
