MDD
A Davies Company

John Otting

CPA | Senior Manager

John joined MDD Forensic Accountants in 2004. In 2014, John left to become CFO of a privately-owned full-service marketing firm. He returned to MDD in 2023 as a Senior Manager at the firm's Atlanta office.

A seasoned forensic accounting professional, John has worked on assignments involving business interruption, extra expenses/increased costs, financial condition, lost profits and breach of contract, fraud and embezzlement, and inventory/physical damage claims. He also has significant experience in the catastrophe services area, having worked on files related to Hurricane Katrina and Superstorm Sandy.

He has been engaged across various industries, including pulp and paper, hospitality, chemical, hospitals & physicians' offices, textile, retail, agriculture, lumber & manufacturing.

John has been involved in numerous cases in a litigation support role, including analysis of transcripts, preparation of inquiries of witnesses under oath and expert testimony, preparation of expert reports, and assistance with all aspects of discovery, including preparation of document responses and propounding document requests.

He received his Bachelor of Business Administration – Accounting Major from the University of West Georgia..
