MDD
A Davies Company

Aaron Isch

CPA, CVA | Manager

Aaron joined MDD Forensic Accountants Boston office in 2014. He is a manager at the firm.

Aaron has worked on assignments across most of our practice areas concentrating on business interruption, cyber risks, business disputes & shareholder disputes, business valuation, personal injury & wrongful death, lost profits, and post-acquisition disputes. He is also actively involved in the catastrophe services area, quantifying economic damages resulting from natural disasters, including hurricanes Harvey, Irma, Maria & Ida, California Wildfires, and the 2021 freeze in Texas.

His industry experience includes financial services, food services, healthcare, hospitality & tourism, manufacturing, professional services, and retail.

Aaron provides litigation support services to clients and has given expert witness testimony at depositions.

He has presented seminars on business interruption and liability losses.

Aaron recently completed a six-month secondment as a Claims Manager within Beazley's Cyber and Technology group.

He received his Bachelor of Science in Accounting & Master of Business Administration from Salve Regina University.
