MDD
A Davies Company

Juan Manuel Holgado

CPA | Senior Manager

Juan Manuel Holgado began his career as a forensic accountant in 2016 and is now a Senior Manager at MDD's Latin American office. He has worked on engagements across North America, Latin America and the Caribbean.

Juan is a forensic accountant with vast experience in the economic damage quantification of business interruption, contingent business interruption and extra expenses, advance loss of profits/delay in start-up, builders' risk & soft costs, fraud and investigations, and stock and contents.

He has considerable catastrophe services experience, having worked on assignments resulting from hurricanes Irma, Maria, Eta, Iota, and Otis.

His industry experience includes, but is not limited to, power generation, manufacturing, pharmaceuticals, oil and gas, mining, hospitality & tourism, and retail.

He has presented seminars and workshops on business interruption and advance loss of profits/delay in start-up-related topics to various clients across Latin America.

Juan is fluent in Spanish and English. He graduated from Florida International University (FIU) with a Bachelor of Business in Finance and Real Estate. He also received his Master of Science in Finance and Master of Accounting from FIU.
