MDD
A Davies Company

Alison Wise

CPA, CFF, CFE | Manager

Alison joined MDD Forensic Accountants in 2023. She is a Manager at the firm's Denver office.

Alison began her career in accounting in 2003. She specializes in the quantification of economic damages for matters related to personal injury & wrongful death, lost profits, fraud and investigations, employee dishonesty, divorce & marital disputes, and business disputes & shareholder disputes.

She has been engaged across various industries, including automotive, construction, food services, manufacturing, and professional services.

Alison has been engaged in providing litigation support and has provided expert witness testimony in state court.

She has presented to the Arizona Association of Defense Counsel on "The Cost of Doing Business in a Pandemic".

Alison graduated from Arizona State University with a Bachelor of Science in accounting. She also received her Master's in Forensics and Fraud Examination from West Virginia University.
