Anne Marie Tucker

BA, CPA, CA, CFF Senior Manager/Vice President

Anne Marie joined MDD Forensic Accountants' Toronto office in 2025 as a Senior Manager/Vice President. For over two decades, she has focused exclusively on providing forensic accounting and damage quantification services to businesses varying in both size and industry. Her previous roles included managerial positions at national and global accounting firms.

Anne Marie's practice specializes in quantifying economic damages relating to business interruption, contingent business interruption & extra expense, cyber risks, and stock and content losses. She also has experience with lost profits, personal injury & wrongful death, and income replacement benefits (Canada).

Her industry experience includes food services, hospitality and tourism, retail, professional services, automotive, health, and agriculture. She has also been active in the catastrophe services area, quantifying economic damages that occurred as a result of the 2016 Fort McMurray wildfires and the 2020 Australian bushfires.

She has conducted numerous seminars and workshops on various topics, including Business Interruption for Equipment Breakdown policies, Business Interruption for Cyber policies, Introduction to Business Interruption, and Introduction to Income Replacement Benefits Calculations.

Anne Marie graduated with a Bachelor of Arts from the University of Western Ontario (now Western University). She also holds her Chartered Professional Accountant designation and is certified in financial forensics. Anne Marie is a member of the Chartered Professional Accountants of Canada, the Chartered Professional Accountants of Ontario, and the American Institute of Certified Public Accountants.
